Subject: Sale of 3731 N. Crestview Drive

Shirley,

I just wanted to take a minute to say "Thank You" for all your hard work on the sale of my house on Crestview Drive in Huntsville. As you were well aware when we first met, I explained that my time available to help sell this property was minimal with having to deal with the relapse of my son's cancer. You made the process simple for me suggesting what to do to get it on the market and listing the property at the right market price. As a direct result of your experience and market knowledge, we received an acceptable contract with ten (10) days of putting the property on the market. You helped to make the inspection period and closing preparations run smoothly get the property sold. I would gladly recommend your services to anyone that was in the market to sell a home in Huntsville, Alabama. Again, "Thank You" for your fine professional service.

Randy
